

INTERSCHOOL SWIMMING

Morley Senior High School has once again proven the depth of our all-round sports women and men at this year's D Division Interschool Swimming Carnival. After the Morley Swimming Trials it appeared that we had an uphill battle to have an Interschool team but with the endeavour of a few senior swimmers and teachers we were able to have a team that earnt us the position of equal second, which could see us in C Division next year.

Kalamunda

SHS won the carnival with Ballajura CC coming equal second with Morley. There were another five schools that provided tough competition, these included Greenwood, Comet Bay, Hamilton, John Forrest, and Wanneroo.

There were a handful of swimmers that had a hectic day, they were very rarely seen in the stands, as they were always swimming but this did allow for outstanding results. Outstanding individual performers were Andrew Stoddart and Belinda De Vattimo, who placed third in the 13 years overall championship, Nicole Stoddart (14 years), and Reagan Henry g 15 Years), both placed second

in the overall championship, and Hayley

Stoddart was our best performer winning the Champion girls of the 16 years and over age bracket.

Once again, a huge thanks go out to the teachers that helped with both the trials and interschool carnival but the greatest congratulations go to all the competitors on a wonderful effort with a well-deserved result. This is the greatest opportunity to meet new people and show Morley's depth of talented sports women and men, so please come along next year for a great day!
